

Declaration of Assessor * indicates mandatory information

I declare that the information given in this Application Form and the supporting documentation provided is correct to the best of my knowledge. I understand that failure to disclose information that should later be found out, will lead to assessor approval being removed, and further action may be taken.

I confirm that I have NO interest in the outcome of any End Point Assessment, either financially or personally. Should in the future, I become aware of any potential conflict of interest then I will notify the IMI immediately, and will not carry out assessments until after such time that I am notified I may do so.

I apply to be an IMI EPA Accredited Assessor for the aforementioned standard and to pay the relevant fees to be accredited.

I agree to complete all prescribed preparatory work – I acknowledge that failure to do so could seriously compromise my chance of success.

I understand that if successful in this application I will have to attend and pass the IMI EPA Accredited Assessor Workshop and understand and sign the IMI Education and Training Professional Standard before becoming accredited.

I hereby agree to be bound to and abide by this declaration*:
