

VOCANTO has a proven track record of success across industry and in multiple global markets - here's what's on offer:

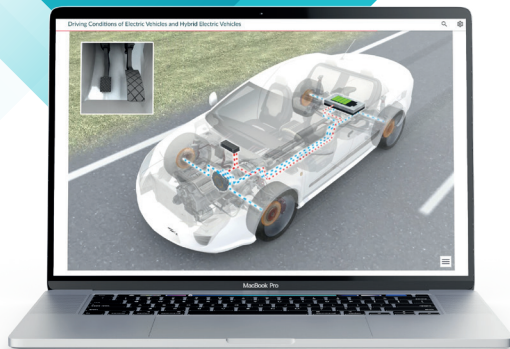

- Immediate feedback is provided to give learners an insight into where they need to focus their skills
- Easy access to test results - learners and tutors can identify knowledge gaps at a glance
- Tutors can create learner 'groups' and monitor progress of their students
- Helping meet increased demand for distance, self-directed and blended learning solutions
- Supporting the delivery of qualifications and training – in UK, regulated qualifications L1 to L4 in LV and EV

To register for a **FREE** demo of VOCANTO or for more information including current prices, please contact your Business Development Manager at: enquiries@theimi.org.uk
